- The clear matte look keeps the logo visible and fingerprints off
- Precise cutouts and easy-to-press button covers keep your iPad easy-to-use
- The lightweight back-shell design protects your iPad without adding bulk.
- The flexible rubber-like material is durable without leaving a scratch on your iPad.
- Designed exclusively for the 10.9 inch iPad Air 4 (2020). Not compatible with any other iPad models.

Shock-Resistant

A Perfect Fit

ESR

ESR Rebound Pencil, black – iPad Pro 12.9" 2021

- The smooth rubber-like polymer feels good and provides great grip
- Built-in pencil holder provides a secure place to store and charge your Apple Pencil (2nd generation)
- Works seamlessly with your iPad's auto sleep/wake function
- The magnetic trifold stand supports both viewing and typing stand modes
- Designed for the iPad Air (2020) with precise cutouts and easy-to-press buttons. Not compatible with any other iPad model
