Spigen Silicone Fit

- The Silicone Fit - the all-new way to wear the Apple Watch. It's slimmer and softer than ever. Designed with you in mind, the Air Fit™ is made of a smooth, flexible silicone and comes with two adjustable straps to get exactly the fit you want. This band is so comfortable, we almost had to invent a new word to describe how it feels.
- Made of a soft and flexible silicone for increased comfort
- Crafted to keep a simple and minimal design
- Comes with two adjustable straps for a custom fit
- Allows for easy and secure installation
- Material: Silicone
