Meross Smart Wi-Fi Plug without energy monitor

PN **0251000162**
RRP **24,04 €**
EAN **0680306685813**

- Remote Control: Turn electronics on/off from anywhere anytime via the Apple Home app & Meross app. You can check the status of connected electronic appliances, or set schedules for them. All data are securely transmitted and stored in Amazon AWS servers.
- Voice Control: You can control your devices hands-free, just give voice commands to turn on/off the connected devices. Compatible with Apple HomeKit, Siri, Amazon Alexa, and Google Assistant
- Schedule and Timer Setting: You can schedule the connected devices to turn on and off automatically. Save energy when lights are not needed or left on by accident. Sunrise and sunset setting are supported.
- Safety: The plug is made of PC flame retardant material, and has been approved for safety and quality assurance. Certified by CE/RoHS, it supports home appliances up to 16A.
- no hub required
