## Nomad Base Station Apple Watch with Magnetic Alignment V3, black

PN **NM01862185**  
RRP **185,15 €**  
EAN **856500018621**

- Base Station Hub with Magnetic Alignment and built-in Apple Watch mount, combines a highly-functional wireless charger and charging hub with a classic Nomad design
- The 3 high-power charging coils are built with magnetic alignment functionality, simplifying the search for the charging hot spot and increasing the charging efficiency.
- Rounded out with two power output ports, 1 USB-A and 1 USB-C, Base Station Hub with Magnetic Alignment solves all your charging needs.

### Key features & Benefits

- Alignment Without Attachment - Get the perfect alignment every time with magnets that align with the MagSafe magnets in your device.
- Ultimate Power Delivery - With 3 high-power magnetic coils, Base Station Hub charges one or two devices simultaneously at up to 10W each.
- Slim, Sleek Design - Every detail matters. With a frame height of one centimeter and a sleek walnut and aluminum build, Base Station Hub serves as the premium charging solution for every device
- Design that Fits Anywhere - LED charging indicators light up when your phone is placed on the padded leather charging surface, and an ambient light sensor automatically dims them when you turn the lights down
- Charges Up to Four Devices - Base Station Hub provides a central charging station for all your devices. Charges up to 4 devices simultaneously (2 wireless, 2 wired)

### Tech Specs

- Made with real Walnut, each one looks unique
- Magnetic padded leather surface
- Up to 10W wireless charging speed
- USB-C PD 18W port
- USB-A 7.5W port
- Ambient light sensor dims LED's at night
