Peak Design Everyday Fabric Case, charcoal - Samsung Galaxy S23

PN **M-MC-BD-CH-1**
RRP **42,99 €**
EAN **818373023898**

- A Samsung phone case with the perfect balance of slimness, smart aesthetics, and protection
- It brilliantly connects to the entire Peak Design Mobile Ecosystem
- It's a case with zero compromise—and you don't have to take our word
- Features a slim 2.4mm profile and protective rubberized bumper, all wrapped in beautiful nylon canvas shell
- What truly sets this case apart is the brilliant magnetic/mechanical lock that's built right into it.
- We call this mounting technology SlimLink™, and it's so fast and secure that it borders on magic.
- With this case on your phone, you can instantly connect to all Peak Design Mobile mounts, chargers, and accessories
- It can even make your Samsung device work with MagSafe chargers and accessories, however compatibility with all 3rd party chargers is not guaranteed

Product Specifications

SLIMLINK™

- Built-in connection system (called SlimLink™) is ultra secure and feels like magic
- Connects to all Peak Design Mobile mounts & accessories
- Locks to some accessories magnetically and other accessories mechanically

Slim & Protective

- Super-slim 2.4mm profile
- Rubberized full-surround shock-absorbing bumper
- Protective lip around screen and camera lenses
- Rugged 2m (6ft) drop protection
- Works with many but not all screen protectors

Materials

- Nylon canvas fabric shell is weatherproof, 100% recycled and Bluesign-approved
- Ultralight polycarbonate body
- Rubberized TPU bumper
- Molded TPU buttons
- High-temp neodymium magnets
- High-strength ceramic locking ring

Works with the MagSafe

- Compatible with MagSafe accessories & chargers
- Note that compatibility with all 3rd party chargers (even Qi certified chargers) is not guaranteed

Works with the Peak Design Straps

- 2 mounting points for Peak Design Anchors let you tether/carry your phone with any Peak Design strap
- S-Pen Compatibility Note: Because case contains magnets, use of the Samsung S-Pen stylus accessory is not possible while your phone is in the case.
