Therabody TheraFace Mask

PN TF03823-01
RRP 599,96 €
EAN 840295401850

- TheraFace Mask is a breakthrough U.S. FDA cleared LED skincare mask that delivers full-face Red, Red + Infrared, and Blue LED light treatments with added tension-relieving vibration therapy.

What Makes It Special

- With 648 LED lights, TheraFace Mask has 3x more than other comparatively priced masks. This ensures full-face treatment coverage and maximum efficacy in the shortest amount of time.
- 9-minute preset treatment can be customised with quick 3-minute treatments for specific skincare concerns.
- Red Light: Reduce fine lines, wrinkles & dark spots
- Red + Infrared light: Stimulates collagen production & firms skin
- Blue Light: Fights acne & acne-causing bacteria
- Vibration Therapy: Tension-relieving vibration therapy targets key pressure points around the eyes, browline, temples, and scalp with a relaxing massage. 3 vibration modes.
