PN TAD25-2P-BLK  
RRP 19,99 €  
EAN 8594215991694

## Mobile Origin Travel adapter 25W, EU/US/UK/AU, white

PN TAD25-2P-WHT  
RRP 19,99 €  
EAN 8594215991700

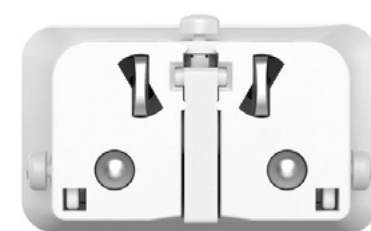

- **Compact and Powerful:** With a size 20% smaller than a bank card and dimensions of 42 × 70 × 25 mm, this adapter is perfectly compact and lightweight, easily fitting into your pocket or bag. Yet it offers incredible power - fast charging with 25W PD (Power Delivery).
- **Smart Charging:** The adapter has two USB outputs - USB-C with one 25W output and USB-A with one 18W output, both supporting the PPS (Programmable Power Supply) protocol. The maximum output for fast charging is 25W
- **Safety and reliability:** The adapter is made of non-flammable PC material, ensuring your safety in every use. With an input voltage of AC 100-240V ~ 50/60Hz 0.8A, it is compatible with global standards and provides consistent power almost anywhere you are in the world.
- **Universal Use:** This adapter is suitable for most electronic devices, including cameras, iPads, iPhones, MacBooks, Android smartphones, power banks, headphones, gaming devices, shavers, GPS and more. Compatible with country outlets in Australia, China, USA, UK or Europe. Our adapter will not let you down, almost anywhere you are in the world.

- Output: 15W max?
- Dimensions: 42 × 70 × 25 mm
- Weight: 0,065 kg

### Package includes:

- travel adapter

## Mobile Origin Universal Travel Holder

PN **UTH-BLK-MSC**  
RRP **27,99 €**  
EAN **8594215991762**

- Discover a new dimension of convenience with our universal travel magnetic holder with 360° rotation.

### Key Features:

- Featuring a robust 30X N55 magnetic mount, this compact, foldable holder ensures your device stays securely in place. With 360° rotation, you can easily adjust your phone for perfect viewing angles, whether on a plane, train, or at your desk. Crafted from premium materials, it guarantees durability and compatibility with iPhone models 12 through 15, as well as other smartphones and tablets.
- **Compact and Foldable design:** The practical folding mechanism allows for easy storage and transport. You can easily fold the holder into a compact size and take it anywhere with you.
- **Strong Magnetic Mount:** The 30x N55 permanent magnet ensures a firm and secure hold of your phone. No need to worry about your device falling or shifting.
- **360° Rotation:** Enjoy maximum flexibility with the swivel joint, allowing you to adjust your phone to any angle. Perfect for watching movies, video calls, or navigation.
- **Universal Use:** Thanks to its universal design, you can attach the holder virtually anywhere – in an airplane, on a train, on a luggage handle, or on a desk. Your options are limitless.
- **Premium Materials:** The high-quality construction from ABS+PC, zinc alloy, silicone, and iron ensures long-lasting durability and wear resistance.
- **Compatibility:** Specifically designed for iPhone models 12 and latest ensuring a perfect fit and optimal performance. Also compatible with other smartphones or tablets thanks to the included sticky metal ring.
- **Locator Card:** For precise placement of the adhesive metal ring on phones without direct MagSafe support.

### Tech Specs:

- Magnetic Strength: 30X N55 permanent strong magnet?
