Pipetto Activity Case, blue – iPad 10.9 (2022)

PN P066-117-V
RRP 44,95 €
EAN 5060520954875

- If you've got a little one and need a durable, lightweight, kid friendly iPad case for peace of mind when it comes to keeping them entertained, then our Activity Case is for you.
- Made from wipe clean, hazard-free foam, it's lightweight and made using our custom range of anti-bacterial materials.
- It's certified to kill 99.9% of bacteria the case comes in contact with to keep your little one safe and, it's also drop tested to provide full drop protection up to 1.2m/4ft high, to keep your iPad safe too.
- The easy to hold carry-handle allows small hands to securely grip when on the go and doubles as a sturdy stand for watching movies or playing games.
- As nice little additions we've included holes for karabiner clips (sold separately) to allow you to attach the case securely to a buggy, car seat, headrest, high chair or just about anything else.
- Also comes with a colour-in sticker set that allows your little one to personalise their case and have some fun offline.

Tech Specs:

- LIGHT WEIGHT & KID-FRIENDLY - Made from wipe clean hazard-free foam. Light weight and safe for all ages.
- EASY CARRY HANDLE - Flip the hinged stand to have a quick carry handle.
- WIPE CLEAN - Made from wipe clean materials to keep your case looking like new for longer.
- SHOCK ABSORPTION - Protective TPU surround absorbs shocks and drops and offers full edge protection.
- VIDEO STAND - Built-in handle doubles as a sturdy stand for watching movies or hands-free video calls.
- Product Dimensions: 2.5 x 27.5 x 28.0cm
- Product Weight: 291g
- Compatibility: iPad 10th 2022

Pipetto Origami No3 Pencil Case, black – iPad 10.9 (2022)

PN P053-49-V
RRP 54,95 €
EAN 5060520954721

- If you're the sort of person who wants a slim iPad case with additional Apple Pencil storage but doesn't want to compromise on protection or functionality, then our Origami Pencil Case is for you.
- Original Origami No3 Pencil case is made from a flexible and shock absorbent TPU shell and designed with internal air pockets that allow the case to offer up to 1.1m/3.6ft drop protection. The integrated Apple Pencil storage design offers additional Apple Pencil protection to ensure it stays right where you put it.
- The case also has our versatile 5-in-1 folding Origami cover that you won't want to live without. It allows you to easily fold the front cover and position the iPad into:
 - a portrait position (perfect for reading and video calls);
 - a landscape viewing position
 - a landscape 'soft surface' position (perfect for watching Netflix in bed or on soft surfaces)
 - a landscape 'keep clean' or travel position (perfect for general or messy surfaces that you want to minimise contact with)
 - an ergonomic 'lay flat' position (perfect for typing, gaming, or drawing)
- The cover itself is made from a soft PU material (similar to Apple's Smart Cover) with a luxurious genuine microfibre lining to protect your screen against dirt and spills.
- As iPad users and lovers ourselves, we know the details matter. So we have also designed the case with a clear polycarbonate back, to keep it lightweight and allow you to personalise your iPad. We've also added auto sleep-wake functionality to extend your battery life, giving you up to 20% longer between charges

Pipetto Origami No5 Rotating Folio Case, black – iPad 10.9 (2022)

PN P059-49-V
RRP 59,95 €
EAN 5060520954851

- If you're the sort of person who loves a classic iPad folio case with lots of versatility but without the bulk, then our Rotating Folio case is for you.
- Open the secure magnetic flap to rotate the iPad into either portrait or landscape position, for a 2-in-1 iPad stand that can be adjusted backwards and forwards to get just the right viewing position, whether you're watching Netflix in bed or need to have a hands-free FaceTime call.
- When it comes to protection, the case is drop-tested up to 1.1m/3.6ft and has an internal shock absorbent TPU shell and secure magnetic front cover to keep your device (as well as your Apple Pencil) safe
- The cover itself is made from a premium, wipe-clean PU and has a wipe-clean rubberised lining, to keep your case looking newer longer.
- As iPad users and lovers ourselves, we know the details matter. So we have also designed the case to make sure the front flap folds back (and sticks) to the rear of the case when in use, so it doesn't obstruct your screen. We also added auto sleep-wake functionality to extend your battery life and give you up to 20% longer between charges.

Key Specs:

- SECURE CLOSURE - Wrap around magnetic flap keeps your iPad secure and screen protected.
- ADJUSTABLE ANGLES - Easily angled in landscape or portrait to get the perfect position for FaceTime calls or watching videos.
- APPLE PENCIL COMPATIBILITY - Fully compatible with Apple Pencil 1 & Apple Pencil (USB-C)
- WIPE CLEAN - Made from wipe clean materials to keep your case looking like new for longer.
