Nomad Rocky Point Band

- Nomad engineered Rocky Point Band from the ground up to complement your Apple Watch and boost its functionality on adventures near and far. From its ultra-tough, compression-molded FKM to its titanium hardware, every detail was carefully weighed to maximize performance and take you to new heights.
- FKM fluoroelastomer rubber
- Lightweight grade 2 titanium hardware
- 100% waterproof
- Ventilation groves for breathability
- Designed for Apple Watch Ultra & Ultra 2
- Works with Apple Watch 9, 8, 7, 6, SE, and all previous versions of Apple Watch.
- To New Heights: Rocky Point Band's ultra-tough FKM body is 100% waterproof and won't tear under stress, making it the perfect companion for even the most demanding adventures
- Unprecedented Comfort: The band's FKM is smooth and lightweight, creating a barely-there feel. A z-shaped transition section contours snugly around your wrist and breathability channels protect against sweat and moisture.
- Materials: Compression-molded FKM, Metal injection molded grade 2 titanium hardware
- FKM and titanium loops secure excess band
- Technical: Waterproof: Resists a 5-20 kgf lateral slide-out force when installed in Apple Watch
- Devices: Compatible with Apple Watch 49mm, 45mm, 44mm, and 42mm (Ultra & Ultra 2, Series 1-9, and SE)
- Band is one size fits most, designed for wrist sizes ranging from 175mm to 225mm
- 95mm length (pin side) and 135mm length (adjustment side)
