Ledger Flex Crypto Hardware Wallet

- The next-gen Ledger design featuring a secure E Ink® touchscreen
- TRUSTED BY MILLIONS
- An industry-leading Secure Element chip and Ledger's proprietary OS establish the world's most secure crypto technology.
- MADE FOR CLARITY AND COMFORT
- You can confidently review and clear sign transactions on the first secure E Ink® touchscreen display.
- CUSTOMIZABLE
- Customize the lock screen with your favorite NFT or picture, even when it's off thanks to E Ink® technology.
- ALL YOUR DIGITAL ASSETS IN ONE PLACE
- You can manage and control thousands of cryptocurrencies, including Bitcoin, Ethereum, Solana, Cardano and many more... and your favorite NFTs based on Ethereum and Polygon blockchains. All in one place.
- LEDGER LIVE, ONE APP FOR ALL YOUR CRYPTO NEEDS
- The Ledger Live app is a one-stop shop to buy, send, sell, grow, swap your crypto with our third-party service providers*. You can track your assets across multiple platforms, monitor price changes, expand and diversify, and stay up to date on the value of your portfolio. You can also access various Web3 dApps, products and services, and level up your crypto knowledge.

The Ledger Live App

- The secure crypto app to manage your digital assets and more wherever you are.
- Validate transactions securely and seamlessly with your Ledger wallet
- Buy, swap, sell, stake and manage your crypto on-the-go through trusted third-party service providers
- Send and receive crypto and NFTs, all from one place
- Install the Ledger Live™ app from <https://ledger.com/ledger-live>

NFTs management

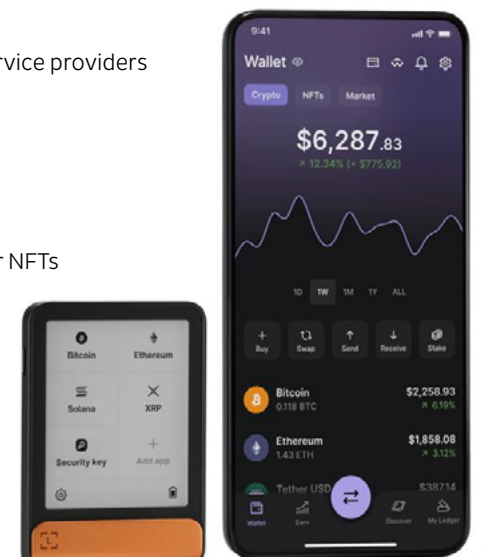

- Send, receive and visualize your NFTs within the fortified Ledger ecosystem
- Ledger is the secure gateway to store, visualize, manage and enjoy full ownership of your NFTs
- Sign NFT transactions that you trust and understand: no more blind-signing
- Unlock the full Ledger experience by entering our ecosystem
- Learn about NFTs, DeFi, and more directly from experts with Ledger Quest

• **Mobile Origin Rugged Case, black**

- Rugged Case for iPad offers extra protection with shock absorbing reinforced edges, Origami folding stand for adjustable viewing, removable magnetic front cover and an Apple Pencil holder.
- Saves battery with auto sleep & wake function and has a sleek, minimalistic design that combines style and functionality.

Key Features:

- Certified protection: Tested for extreme temperatures, this case protects your device in heat up to 60°C and cold down to -20°C, ensuring safety in both summer and winter conditions.
- Ultimate Protection with Corner Cushioning: The reinforced corners provide an extra layer of protection where it matters most, ensuring your device stays safe in daily use.
- Scratch & Impact Protection: Durable anti-scratch PC material ensures your device stays flawless, offering reliable protection against scratches and impacts.
- Adaptable Protection for Every Moment: Easily switchable between full protection and removable magnetic cover, which is perfect for those moments when you need to quickly share your iPad screen with someone.
- Origami Folding Design: Experience the art of functional folding with the origami design. Easily and comfortably read, draw, write, or watch content on your iPad.
- Versatile Multi-stand Positions: Easily switch between horizontal and vertical orientations for optimal viewing angles, whether you're watching, reading, or typing.
- Convenient Apple Pencil Holder: Your Apple Pencil will be always secure and readily accessible. The elastic slot is designed to easily fit your Apple Pencil, ensuring it stays safely in place. It also features cutouts for connectors and buttons for easy control.

Nomad Tracking Card - Find My

PN **NM01297185**
RRP **45,00 €**
EAN **856500012971**

Nomad Tracking Card

- Tracking Card is remarkably slim and seamlessly integrates with Apple's native Find My app for effortless wallet tracking. Plus, it's fully rechargeable on any Qi or MagSafe charger.
- Slim design works in any wallet
- As thin as 2 standard credit cards
- Locate with the Find My app
- Wirelessly recharge on any Qi or MagSafe charger
- 5 month battery life once fully charged

Key Features:

- Tracking made easy: If you're anything like us, you've probably lost something important during a really epic adventure. That's why we created Tracking Card. Simply open Apple's Find My app, track your wallet, and get going.
- Remarkably slim: As thin as just 2 standard credit cards, Tracking Card is one of the slimmest trackers on the market. It easily slips into any wallet without adding any bulk
- Charge. Recharge: Tracking Card wirelessly charges on any Qi or MagSafe wireless charger, including upright MagSafe models. Once charged, it'll last in your wallet for up to 5 months. Rechargeable batteries cut back on waste and save you the time and energy associated with buying new batteries.

Tech Specs:

- Design:
- Polycarbonate body
- 86mm x 54mm x 2mm
- As thin as 2 standard credit cards
- IPX7 waterproof and dust proof
- Technical:
- Works with Apple's native Find My app
- Wirelessly recharge on any Qi or MagSafe charged
- 5 month battery life once fully charged

Package includes:

- card
