Catalyst Essential Case, glacier blue – AirPods Pro 2

PN CATAPDPRO2BLU
RRP 37,00 €
EAN 4897041803167

- The durable one-piece secure lid design is made with premium materials, and the precision construction ensures the case is perfectly sealed to prevent dust & dirt from getting inside.
- The case stays closed on drops and impacts, so your AirPods won't pop out.
- The lanyard loop, speaker and microphone of the AirPods Pro (2nd generation) are fully accessible with the case on.
- You can attach your AirPods Pro to any handbag or backpack with ease
- Compatible with wireless/Qi-certified charging mats.
- The material is easy to clean and disinfect, won't stress crack and it doesn't attenuate wireless charging speed.

Tech Specs

- 4ft (1.2m) Drop-proof
- Cleanable using EPA approved disinfectants

iOttie Velox MagSafe Magnetic Flush Mount

PN **MGSFIO104**
RRP **40,70 €**
EAN **857199008733**

- The Velox Mount is a magnetic phone mount for MagSafe Compatible iPhones and cases. Just place your device against the Velox Mount, and it will snap into place in perfect alignment for a secure hold. The ball joint on the air vent mount rotates 360° while allowing you to adjust the cradle for an ideal and safe viewing position while you drive. The siliconized surface provides added grip to prevent your phone from slipping, while also protecting your iPhone from scrapes and scratches. Now it's easier than ever to mount your phone and hit the road!
- Designed for MagSafe iPhone series and cases.

Quick and Easy Installation

- Adhesive base for secure attachment.

Fully Adjustable Viewing

- Super strong ball joint allows the Velox Mount to be easily adjusted to the optimal viewing angle for you.

Powerful Magnetic Connection

- Keep your phone securely connected, even on rough roads.

Technical Specifications:

- **SLIM & ELEGANT PROFILE:** The Velox Mount has a compact design that complements the style of any vehicle's interior
- **POWERFUL MAGNETIC HOLD:** Your MagSafe compatible iPhones and cases will be held securely in place even on rough roads.
- ***ONLY Compatible with MagSafe iPhone series and cases!**
- **FUNCTIONAL DESIGN:** The Velox Mount has a soft silicone face for added grip and protection against scrapes and scratches.
- **FLEXIBLE VIEWING ANGLES:** The Velox Mount has a rotating ball joint that allows you to adjust the angle of your iPhone for an optimal view.
