

NOMMAD

Base One

Every Detail Matters

We take great care in everything we design. Base One features a solid metal body paired with a glass top, CNC-machined for precision, for an experience unlike any other.

Nomad Base One, carbide

PN NM01302285
RRP 116,94 €
EAN 856500013022

Base One delivers official MFi MagSafe charging at up to 15W with a weighted metal body and an elevated glass panel designed to complement any space

Disclaimer: Requires 20W Adapter (not included)

Key features & Benefits

- **Fast Charge with MagSafe** - Designed with official MagSafe technology, Base One offers our most effortless charging experience yet.
- **Charging Reimagined** - With 15W of power, Base One offers iPhone charging speeds comparable to that of a cable. That means less time charging and more time doing what you love with your devices.
- **Weighted Design** - Weighing in at over 1 pound (515g), Base One stays anchored to its surface when you're ready to grab your device and go. An elevated MagSafe charging puck allows you to wrap your fingers around your device for easy pickup.
- **Match Your Space** - Base One comes in two colorways to fit seamlessly into any space. From your bedroom to your home office, Base One stylishly elevates any area. Now available in Silver and Carbide
